

ACPA SUPPORTERS

In addition to representing the Corporate members, ACPA welcomes those who share a common interest in maritime affairs and shipping. The category of Supporters is open to non-CPA ports, and all businesses that wish to advance important issues in the port community, as well as all private sector companies, transportation associations, academic institutions or government agencies with an interest in the objectives of the Association.

Individual Supporters

All those who support the objectives of the Association, but who are not part of any organization noted in the Supporter class, are likewise welcome as Individual Supporters. ACPA offers the same wide range of benefits for a reasonable and affordable fee.

ACPA Supporter Benefits

As an ACPA Supporter, you enjoy:

Current Industry Knowledge: Stay up to date with a regular e-newsletter and 'Insider Updates' on important marine issues and enjoy a complimentary subscription to the annual *Canadian Ports* magazine.

Being a valued part of the larger port and marine community: participate in private opportunities to meet CPA CEOs and executives, and provide valuable links to your website and business on the ACPA website.

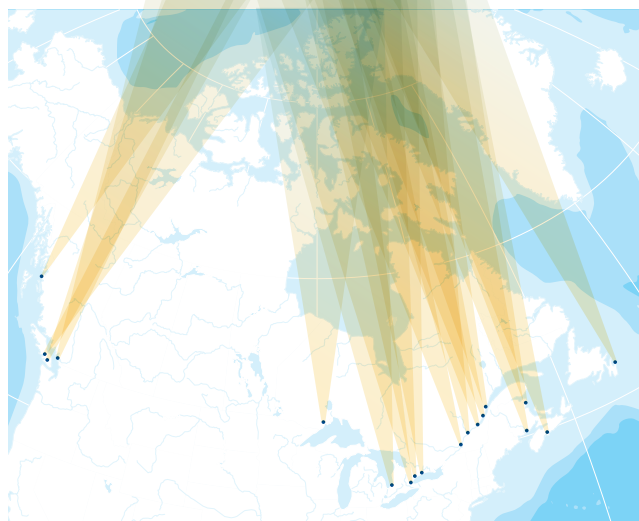

Enhanced promotional opportunities: Enjoy Supporter discounts in ACPA Forums, including for advertising in *Canadian Ports* magazine, as an exhibitor in the annual trade show, and other venues.

Staying informed about an important sector of Canadian transportation: Access a strong business program at the ACPA Annual General Meeting and Conference.
