About the Association of Canadian Port Authorities:

The Association of Canadian Port Authorities was founded in 1958 and groups together ports and related marine interests into one national association. ACPA represents all Canadian Port Authorities, various government entities and companies doing business in the marine sector. It is the leading Association for the advocacy and advancement of the Canadian Port Industry. ACPA members contribute significantly to the local, regional and national economy of Canada, responsible for more than 250,000 direct and indirect jobs and handling more than \$400 billion worth of goods annually.

The leading voice of Canadian ports
